Results of these tests will not be sent to your physician; however, your results may be available to physicians via the electronic health record. Upon signing below, you have given permission for your results to be released to you and you understand that such data is not considered conclusive and not meant to supersede regularly scheduled medical exams. If you have any medical complaints, you should arrange a visit with your physician. As this is an invasive procedure, I agree to have my blood drawn. I understand the above information and I relinquish any responsibility to Paulding County Hospital and their employees.
